Okay, thanks. We did send him an email this morning, asking him if his client had any questions/comments on the design, mentioning the CAG meeting on the 17th, and suggesting that it might make sense to meet prior to the 17th, preferably on the 15th, or 14th.

Will keep you posted....

He has been waiting for Scagnelli to contact Hyatt - K&L did forward the Pre Final Design to directly to him- as Scagnelli told me he would at the CAG mtg.

Also, do you know if Bill Hyatt has had any success contacting John Scagnelli yet? We should set up the meeting with the town prior to the 17th. Let me know, we can reach out too.

Thanks

FYI -- it's confirmed that the January CAG meeting will be in Lyndhurst, at the Senior Building facility

located at 250 Cleveland Avenue. A projection screen is available. We should coordinate when we're both back in the office next week.

Hope you're enjoying the time off, and Happy Holidays!
